Background information

Are there any particular strengths or difficulties your child has, or has had, and how have these been addressed in the past

Are there any particular educational needs your child has and how these have been catered for in the past

How has your child's previous experience of school been and what are your expectations for the coming school year for your child

Please tell us in your own words about how you currently cater for you child's Islamic education (i.e. madarasa, circles, etc..)

If you have a television, how much TV is watched and what kind of programmes do you allow your child to watch?

What do you consider to be unacceptable behaviour in a child and what methods of discipline do you employ with your chil

I agree that acceptance is subject to the schools' successful registration with the Department for Education.
